30 October 2020

Dear Mrs Cogdon

Completion of the audit for the year ended 31 March 2020

We have completed our audit for the year ended 31 March 2020 and I have pleasure in enclosing the certified Annual Governance and Accountability Return. The External Auditor's Certificate and Report is given in Section 3.

If there are any significant matters arising from the audit, they are summarised in the External Auditor's certificate in Section 3. If we have identified minor scope for improvement we have recorded this on page 2 of this letter. The Council must consider these matters and decide what action is required. In most cases this will be self-evident. In some instances we have referred to further guidance available, in particular, in the publication "*Governance and Accountability for Local Councils – A Practitioners' Guide (England) 2010*". This can be obtained via your NALC or SLCC branch, or downloaded free of charge.

Action you are required to take

The Accounts and Audit (England) Regulations 2015 set out what you must do at the conclusion of the audit. In summary, you are required to:

Publish (which must include publication on the authority's website) a statement:

- that the audit has been concluded and that the statement of accounts has been published;
 - of the rights of inspection conferred on local government electors by section 25 of the Local Audit and Accountability Act 2014; and
 - the address at which, and the hours during which, those rights may be exercised.
- Keep copies of the Annual Governance and Accountability Return for purchase by any person on payment of a reasonable sum.

- Ensure that the Annual Governance and Accountability Return remains available for public access for a period of not less than five years beginning with the date on which the Annual Governance and Accountability Return was first published.

The Accounts and Audit (England) Regulations 2015 do not specify the period the Completion Notice needs to be on the council's website but this period must be reasonable.

Minor scope for improvement in 2020/21

The Annual Return submitted for audit was not fully completed as section 1 contained an omission: the Council's website address was missing.

In future the Council should ensure that the Annual Governance and Accountability Return is accurate and complete.

In undertaking the review of the 2019/20 Annual Governance and Accountability Return it came to our attention that the Council values certain Assets like War Memorials and Donated Assets that do not hold any resale intrinsic value at their estimated value. The Council is advised to state these fixed assets at £1 i.e. the proxy cost for assets of this nature in accordance with the guidance in part 5 of the 2020 Practitioner's Guide and ensure that the 2019/20 figure on the 2020/21 AGAR is restated so the asset is valued on a consistent basis.

Audit fee

Our fee note for the audit, which is in accordance with the audit fee scales set by SAAA, and available at <http://www.localaudits.co.uk/fees.html> will follow.

We would be grateful if you could arrange for this to be paid at the earliest opportunity.

Yours sincerely

Cameron Waddell
