GREATER WELLINGTON TOWN COUCIL
DIVERSITY STATEMENT

Greater Wellington Town Council celebrates diversity and the strength it brings to our community and wider society. Prejudice connected to disability, gender, ageism, racism, xenophobia, homophobia, religious intolerance and hate crimes have no place in our town.

Greater Wellington Town Council condemns all such intolerance and hate crimes unequivocally and they will not be tolerated.

All people living in the Greater Wellington area are valued members of our community.

Diversity and unity are strength.
